January 9, 2010

Dr. Robert Santee, Dean
Behavioral Sciences Division
Chaminade University of Honolulu
3140 Waialae Avenue
Honolulu, HI 96816

Dear Dr. Santee:

At the December 17, 2009 meeting of the Hawaii Teacher Standards Board, the Board approved the following recommendations of its State Approved Teacher Education (SATE) Unit and Program Review Teams for Chaminade University of Honolulu:

- The Chaminade Behavioral Sciences Division Professional Education Unit is granted Full Approval, effective January 1, 2010 through December 31, 2016.
- The Chaminade Behavioral Sciences Division Counseling Psychology Program/School Counseling Emphasis is granted Full Approval for the following school counselor program, effective January 1, 2010 through December 31, 2016.
- The Behavioral Sciences Division Professional Education Unit must schedule a National Council for Accreditation of Teacher Education (NCATE) accreditation review for the Unit in ample time for HTSB to hold a review of the recommendations of NCATE and the SPAs no later than June 30, 2016.
- The Behavioral Sciences Division Professional Education Unit must explain any changes to the Unit or school counselor program in the Annual Report due each year to HTSB by December 31.

The Hawaii Teacher Standards Board also determines that for future reviews, based on recent information received from NCATE, the institution may elect to be reviewed as one Unit that includes programs in the Education Division and the Behavioral Sciences Division, or as two separate Units. However, the institution must inform HTSB no later

than December 31, 2010 of its decision to be reviewed as one Unit or two separate Units.
Your recent letter indicates that you will be reviewed as two separate Units.

If you have any questions regarding the Board's action, please contact me at
lhammonds@htsb.org or 808-586-2619.

Sincerely,

A handwritten signature in cursive script that reads "Lynn Hammonds". The signature is written in black ink and is positioned above the typed name and title.
