**TITLE: Consideration of Continuing State Approval of Chaminade
University of Honolulu's School Counseling Educator Preparation
Program**

The Hawaii Teacher Standards Board grants full continuing approval to Chaminade University of Honolulu's School Counseling Educator Preparation Program effective June 16, 2016 through December 31, 2023. This approval is based on a Council for Educator Preparation (CAEP) onsite review, their team's recommendation for accreditation, and the Inquiry Brief Commission of the CAEP Accreditation Council's decision to award full initial accreditation effective May 2, 2016 through June 30, 2023. This CAEP decision was granted with no weaknesses or stipulations.

A national review must be scheduled no later than fall 2022 and the unit must obtain national accreditation by a body recognized to accredit school counselor education programs prior to the expiration of CAEP's accreditation on June 30, 2023.

The unit may recommend candidates for the following license fields:

- School Counselor K-12

The unit must submit an annual report to the HTSB.

A letter will be sent to the unit informing them of the Board's state approval.
