

Management Assessment Plan:

As no national test exist yet in this topic area, a Chaminade Management Program Exam will be administered in the Management Capstone class MGT 425. Data will be collected in the earliest term that we have a graduating group sizeable enough to provide sufficient data.

Management Assessment Report:

As there has not been a graduating group sizeable enough to provide sufficient data, there is no assessment report.

Management Assessment Evidence:

As there has not been a graduating group sizeable enough to provide sufficient data, there is no assessment evidence.
